

Graduates and Families:

Congratulations on your upcoming graduation. We are so proud of your determination, work ethic, and resilience. The last chance to submit work toward completing all requirements and participating in graduation is **Wednesday, June 10th by 12:00 noon**.

Given the complexities of Covid 19, we appreciate your patience. We deliberately held on communicating until we felt more confident the plans we have in place comply with local and national guidelines.

We look forward to seeing you **Friday, June 12** for the drive-up/walk-through graduation. While we know that this cannot replace a traditional graduation, we hope you will join us in celebrating your accomplishments. Please read below for specific details about the celebration.

We are proud to provide the cap and gown package this year at no cost. We are also grateful to PYLUSD, the Association of Placentia-Linda Educators (APLE), and other local groups who donated funds to provide a yard sign for each graduate as well as a huge banner for our school.
